

UCAN HIV Education & Prevention Internship Application

United Communities AIDS Network
147 Rogers St NW
Olympia, WA 98502
(360) 352-2375

Application Closing Date: Wednesday, December 10, 2008
Internship Start Date: January 5, 2009
Internship Credits: 12-20 (Flexible)
Internship Schedule: Flexible
Internship Supervisor: Charles Loosen (360) 352-2375

All applicants should contact Evergreen's Academic Advising to familiarize themselves with the Internship Learning Contract process. Advising may be reached at: (360) 867-6312 or by going to Seminar I Annex Building F

Applicants who are offered an Internship with United Communities AIDS Network must consent to a criminal background check, in addition to signing privacy protection agreements. Applicants who successfully complete a Winter quarter internship may be invited to continue their internship with UCAN through Spring quarter.

Desired Interests: public health, disease intervention, human sexuality, counseling, hiv prevention

Internship learning contracts will be tailored to meet the successful applicant's academic and professional needs. Interns will receive their State of Washington HIV Certification, necessary for future employment in teaching, counseling, and medical professions. Applicants may have an opportunity to attend State of Washington trainings to become certified HIV Counselors and Testers.
